

CURRICULUM VITAE

Henri Barki

Canada Research Chair in Information Technology Implementation and Management

HEC Montréal, Québec, Canada (<http://www.hec.ca>)
Phone: (514) 340-6482; e-mail: henri.barki@hec.ca
Fax: (514) 340-6132

Education

Ph.D.
School of Business Administration
The University of Western Ontario, London, Ontario, Canada
1980-1984

MA
School of Business Administration
Bogaziçi University (formerly Robert College), Istanbul, Turkey
1972-1974

B.Sc. Electrical Engineering
Robert College, Istanbul, Turkey
1968-1972

Work experience

- June 2003 - Canada Research Chair in Information Technology Implementation and Management
Service de l'enseignement des Technologies de l'information
HEC Montréal
- June 1996 - Professor
Service de l'enseignement des Technologies de l'information
HEC Montréal
- 1991-1996 Associate Professor
Service de l'enseignement des Technologies de l'information
HEC Montréal
- 1989-91 Visiting Professor
Service des Méthodes quantitatives et des Systèmes d'information
HEC Montréal

- 1983-89: Assistant Professor
Faculty of Management
McGill University, Montréal
- 1975-78: Sales engineer, Teknika TAS, Istanbul
- 1974-75: Assistant general manager, Vize Gida Sanayi, Istanbul
- 1972-73: Electrical engineer, Profilo Holding, Istanbul

Administrative Responsibilities, HEC Montréal

Research Director (Associate Dean) 1998-2001.
Director of the M.Sc. Program in IS, 1990-1993, 1995 -1996.

Memberships in Committees, HEC Montréal

Promotion and Tenure Committee (1997-1998).
Ph.D. Program Committee (1992-1998; 2002 -).
Research Committee (1990-1993; 1997-1998).
Course Remissions for Research Committee (1993-1995).
Sabbatical Committee (1995-1997).
Review Committee for Centre de Gestion des Coopératives (1997-1998)

Teaching

Computer systems architecture (HEC BA)
Information systems and organizations (HEC BA)
Analysis and design of information systems (HEC BA)
Introduction to information systems (HEC BA)
Information Technology in Organizations (HEC BA)
Information systems implementation (HEC MSc)
Information systems research workshop (HEC MSc)
Critical analysis of information systems research (PhD)
Foundations of MIS (PhD)
Research methods in information systems (PhD)
Ph.D. Seminar in MIS Research (PhD)
Information Systems Technology (McGill BComm)
Computer Based Information Systems (McGill BComm)
Management Information Systems (McGill MBA)
Decision Support Systems (McGill MBA)
Circuits I and II (Bogaziçi)
Industrial Electronics (Bogaziçi)
Electrical Machines (Bogaziçi)

Research Grants

2003-10 Canada Research Chair in Information Technology Implementation and Management, Government of Canada grant, \$1 400 000.

2001-04 Principal researcher, SSHRC grant 410-2001-0201 "Enterprise Resource Planning (ERP) Systems and Organizational Configurations," \$89,800, with Alain Pinsonneault (McGill).

2001-05 VRQ (Valorisation Recherche Québec of the Québec Ministry of Science and Technology) grant 2200-104 "Développement d'outils de mesure d'intégration et de gestion des risques" (Development of risk integration and measurement instruments), \$1,200,000, joint project of University of Montreal, Ecole Polytechnique and Ecole des HEC, with Michel Patry (coordinator), Benoit Aubert, Marcel Boyer, Martin Boyer, Robert Cairns, Gaétan Carrier, Peter Christoffersen, René Garcia, Lawrence Kryzanowski, Pierre Lasserre, Andrey Pavlov, Michel Poitevin, Éric Renaud, Suzanne Rivard, Benoît Robert, and Bernard Sinclair-Desgagné.

1996-2000 FCAR (Fonds pour la Formation de Chercheurs et l'Aide à la Recherche) grant 97-ER-2720 "Management and Implementation of Information System Development Projects," \$60,000, with Jon Hartwick.

1994-97 Principal researcher, SSHRC grant 410-94-1537 "User Participation and Conflict in Information System Development," \$38,000, with Jon Hartwick.

- 1992 Centre Francophone de Recherche en Informatisation des Organisations (CEFRIO), grant "Développement d'un système d'aide à la gestion du risque d'un projet d'informatisation," \$62,000, with Suzanne Rivard (principal researcher) and Jean Talbot.
- 1991-94 SSHRC grant 804-91-0017 "Étude d'un modèle de gestion d'un projet d'informatisation," \$123,451, with Suzanne Rivard (principal researcher), Carmen Bernier, Alain Pinsonneault, and Jean Talbot.
- 1990 CEFRIO grant "Risque, mode de gestion et succès d'un projet d'informatisation: une étude empirique," \$73,560, with Suzanne Rivard (principal researcher) and Jean Talbot.
- 1990-93 Principal researcher, SSHRC grant 410-90-0701 "Les conflits, la négociation, et la résolution des conflits dans le développement des systèmes d'information," \$44,230, with Suzanne Rivard.
- 1989 CEFRIO grant "Elaboration d'une mesure du degré de risque d'un projet de développement de système d'information," \$47,000, with Suzanne Rivard (principal researcher) and Jean Talbot.
- 1987-89 Principal researcher, SSHRC grant 410-87-121 "Field Test of a Causal Model of User Involvement in Information Systems," \$43,636, with Jon Hartwick and Suzanne Rivard.

Awards

Fellow, The Royal Society of Canada (Academy I), as of June 2003.

Pierre Laurin Research Award, École des Hautes Études Commerciales, 1994.

Administrative Sciences Association of Canada (ASAC) Best Paper Award. for the paper entitled: "User Participation and Conflict in System Development," with Jon Hartwick, Lake Louise, Alberta, 1993.

Gaëtan-Morin Research Award, École des Hautes Études Commerciales, 1992.

Pierre Laurin Research Award, École des Hautes Études Commerciales, with Suzanne Rivard and Jean Talbot, 1989.

Administrative Sciences Association of Canada (ASAC) Best Paper Award. for the paper entitled: "Measuring Decision Support System Success," with Sid Huff, Guelph, Ontario, 1984.

Administrative Sciences Association of Canada (ASAC) Best Paper Award. for the paper entitled: "Implementing DSS: A Research Framework," with Sid Huff, Vancouver, British Columbia, 1983.
